

The 2015-2016 US College year has come to an end, and it has been an exciting ride. Australians have really made a name for themselves, on the biggest stage and with an entire nation pulling for them. Aussie Athletes Agency student-athletes have been no exception. We have been witness to their excellence both in the classroom and on the field and we couldn't be any more proud. Apart from the National Championship runs, the Conference Titles and school records, many of our student-athletes received individual recognition for their 2015-16 seasons, and we would like to congratulate them!
